FIFTY CENTS, CASH WITH ORDER.

TO BID UNDERSTANDINGLY, THIS MUST BE READ CAREFULLY.

Coins and medals are sold at so much per piece, U. S. proof sets excepted. You cannot bid for *one piece* in a lot. If a lot contains ten pieces, and you desire to offer \$2 for it, make your bid 20c. The auctioneer will accept an advance of 1 cent up to 50c., then 5c. up to \$2.50, when 10c. is the limit, up to \$10, and thereafter not less than 25c. Hence any bid up to 50c. can be entertained, but after that the bid must be 55c., 60c., and so on. Such offers as 53c., \$1.01, and all intermediate figures are unavailable.

My Terms for buying are 10%, and I make no charge less than 25c.

 **Auction Sales are strictly for cash. Parties unknown to me must send a deposit covering at least 25% of their bids, otherwise they will not be accepted.**

Revise your lot numbers carefully, and the price as well, to be sure you are making the offer you desire and against the particular lot wanted. Do not make a lump sum offer for a lot, — they are always sold entire, — but the bid must be by the piece, excepting in the case of U. S. Proof Sets. There are no other exceptions unless definitely so stated in the catalogue.

Make *no corrections* or alterations of figures, *draw your pen* through all errors and make a *new entry*. Do not use a lead pencil; such marks become indistinct by handling. Avoid making small figures.

It is respectfully requested that remittances be made by *Exchange on New York*, the collection charges on small checks being quite an item, where there are so many of them. Patrons will be credited with the net amount received for their checks.
